

# scalability

## NetAXS-123. Unlimited possibilities.

NetAXS-123 is the scalable access control solution that you can be confident your customers won't outgrow. They can start protecting one, two or three doors now, and expand up to 123 doors as their business grows. The modular design makes adding doors easy and affordable. And because it's web-based, NetAXS-123 is simple to operate and maintain from any location. NetAXS-123. The superior scalability you've been looking for is here. And it's only available from Honeywell.

## Honeywell

Simplicity. Scalability. Flexibility.
